

Growing Schools Garden Activity Sheet

Can you find a beautiful reflection at the pond?
(make sure there's a grown-up with you near the water!)

Can you find these leaf shapes in the garden? Tick each one you find.

Common Oak

Aspen

Alder

Tulip Tree

Honey Locust

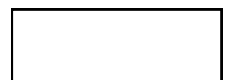

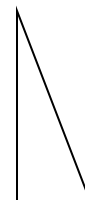

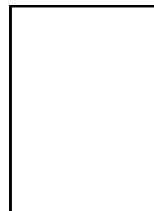

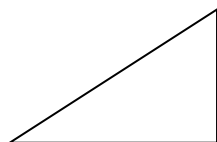

Find the musical archway.
How many different sounds can you make or hear?

Can you find any vegetables growing in the garden today?
If so, how many can you name?

Find the greenhouse. Tick the shapes you can see.

What can you find growing in here?

How many chickens are in our coup at the moment?

Take a look around you for minibeasts. Circle the ones that you can find. (They may be real animals or models!)

spider

butterfly

ladybird

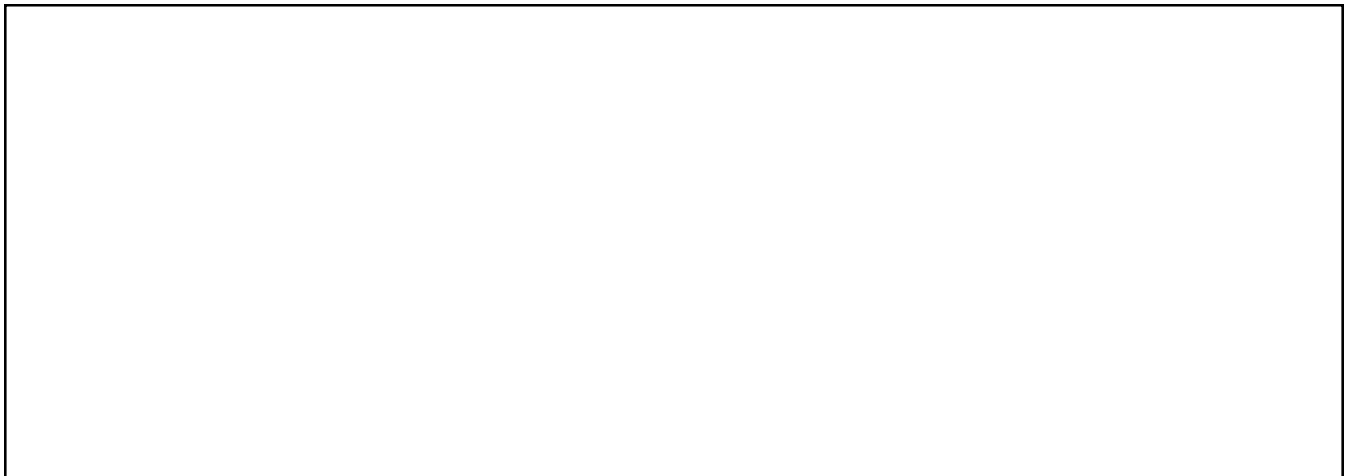

ant

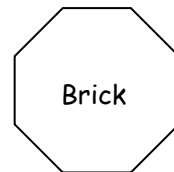

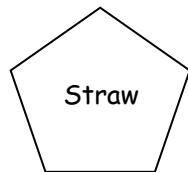

fly

Can you find any mosaics? Draw one in the box.

Find the `cob` building. What is ours actually made of?

There are many different coloured flowers in the garden. Write in each box how many you find.
