

How will you #BigGarden BirdWatch?

25–27 January 2020

Enjoy an hour counting birds and help monitor our wildlife.

Thank you for taking part

- 1 Watch the birds in your garden or local park for one hour.
- 2 Only count the birds that land in your garden, or local park, not those flying over.
- 3 Count the most birds that land at any one time – not the total number you count over the hour. (Otherwise you could be counting the same bird more than once!)
- 4 Tell us what you saw. Submit your results even if you saw nothing. It is still very useful information!
- 5 Submit your results online by **11 February 2020** at rspb.org.uk/birdwatch using the code **BH30**. It is quick, easy and the savings made on postage costs help us spend more on conservation. (However if you are unable to do so, please complete and return this form to us following the instructions below.)*
