

# The Botanical Gardens' Scavenger Hunt

We're going on a scavenger hunt! Let's all have a good one!

Please do not pick anything growing on a plant. Instead, look carefully on the floor, paths and the ground to see if you can find:

- something brown
- something green
- something hard
- something interesting
- something light
- something nibbled
- something smooth
- something soft
- something tiny
- a leaf with lots of veins
- a pine cone
- a pine needle
- a prickly leaf
- a smooth, shiny leaf
- an evergreen leaf
- an interesting shape

Well done! Did you find all of them?

Now, create an interesting face (animal or human) using the materials you have found (you can collect extra material if you need to).

If you want to, you can send us a photograph of your artwork ([education@birminghambotanicalgardens.org.uk](mailto:education@birminghambotanicalgardens.org.uk)) or share via our social media (if permitted).
